

## TESTIMONIALS FROM METAL STAMPING INDUSTRY

1) "Excellent presentation by William on this subject matter and the impressive handout notes! "

Mr. Tun Noor Solihin - Engineer, **PERODUA MANUFACTURING Sdn. Bhd**, Selangor.

---

2) "I like the contents of the program and the presenter. It is a good course for the industry! "

Mr. Mohd Rizal Abdul Wahab – Engineer, **PROTON**, Selangor.

---

3) "Program bagus yang dapat mempraktikan di tempat kerja! "

Mr. Mohd Fizal Bin Md Said - Engineer, **APM Springs Sdn. Bhd.**, Klang, Selangor.

---

4) "Penerangan mudah di fahami dan keseluruhannya amat memuaskan!"

Mr. Mohd Hafizd Bin Hamzah – Production Officer, **NHK Manufacturing (M) Sdn. Bhd**, Selangor.

---

5) "It's really a technical knowledge boosting training program!"

Mr. Ting Ding Kai – Assistant Engineering Manager, **Robex Sdn.Bhd**, Johor.

---

6) "It is fascinating to learn the metallurgical side of the sheet metal cutting from this course."

Mr. Ariffin Bin Ahmad – Assistant Engineer, **Taiko Electronics (M) Sdn. Bhd**, Johor.

---

7) "The course met its stated objective & was relevant to my job & enhance my performance. "

Mr. Chang Chin Chye – Factory Director, **UCHIDA MK Sdn. Bhd.**, Selangor.

---

8) "Presentation based on scientific approach and easier to understand! "

Ms. Saw Lee Kim – Materials Engineer, **Agilent Tech. Microwave Products (M) Sdn. Bhd.**, Penang.

---

9) "Excellent training given by William. A good introduction of metal stamping, design consideration and relevant calculation. "

Mr. Lee Wei Siong – R & D Executive, **Likom Caseworks Sdn. Bhd**, Melaka.

---

10) "The course provides scientific calculation for sheet metal problem solving! "

Mr. Boon Chee kwang – Production Manager, **MCE Technologies Sdn. Bhd**, Johor.

---

11) "It has increased my problem solving skills after attended this course! "

Mr. Ooi Ban Chye – Senior Production Engineer, **AE Technology Sdn. Bhd.**, Parit Puntar, Perak.

---

12) "Experienced speaker from the metal industry. I'll recommend others to attend this training! "

Mr. Wan Zaki – QA Engineer, **CTRM Aero Composite Sdn. Bhd.**, Melaka.

---
