

SELECTED PHOTOS FROM THE PAST ACTIVITIES

"Tooling, Tool Processing and Heat Treatments" by William Lee - FMM ESDC, Wisma Sime Darby, 1 & 2 November 1995

"Tooling, Tool Processing and Heat Treatment of Tool Steels" by William Lee – Holiday Villa Subang, 28 & 29 March 1997

"Aluminum Alloys & Its Heat Treatment" by Ray Reynoldson Mines Beach Resort, 16 & 17 August 2004

"Steps in Making High Quality, Profitable Die Casting Parts" by Dr Morris Murray – Hicom Honda, 14 & 15 May 2005

"Understanding Materials for Sheet Metal Operations" by Dr Matthew Dingle – Sunway Lagoon Resort, 25 & 26 July 2005

"Stainless Steels, Properties, Selection & Processing" by Dr. Graham Sussex – Sunway Lagoon Resort, 28 & 29 Nov 2005

"Heat Treating of Tool Steels" by Ray Reynoldson & William German-Malaysia Institute, 29 & 30 June - 5,6 & 7 July 2006

"Die Casting Technology Program for Unemployed Graduates" A JV Training Project between Ministry of HR & Metalloy

"Die Casting Process, Defects & Die Life Improvement" by William Lee– Palace of Golden Horses, 2 & 3 September 2007

"Failures of Tools & Dies and Precaution" by William Lee Carsem (M) Sdn. Bhd., 9 & 10 May 2007

"Mould Performance on Moulding Quality & Productivity" by William Lee – VS Industry Bhd, Senai Johor, 21 & 22 Mar 2008

"Tool Steels Hardening" by William Lee Impressive Edge Sdn. Bhd. Melaka, 1 April 2008

"Sheet Metal Forming & Process Control" by William Lee AE Technology S/B, Parit Buntar, Perak 14 & 15 May 2008

"Injection Moulding Defects, Causes & Solutions" by William Lee - ToTo Washlet (M), Senawang, 2 & 3 June 2008

"3-Month Die Casting Technology for Unemployed Graduates" by William Lee, Metalloy Training Center July-Nov 2009

"3-Month Die Casting Technology for Unemployed Graduates" by William Lee, Industrial Visit Session, July-Nov 2009

"Leadframe Materials & Trim-and-Form Quality"
by William Lee, Ambassador Hotel Bangkok, 8 & 9 April 2010

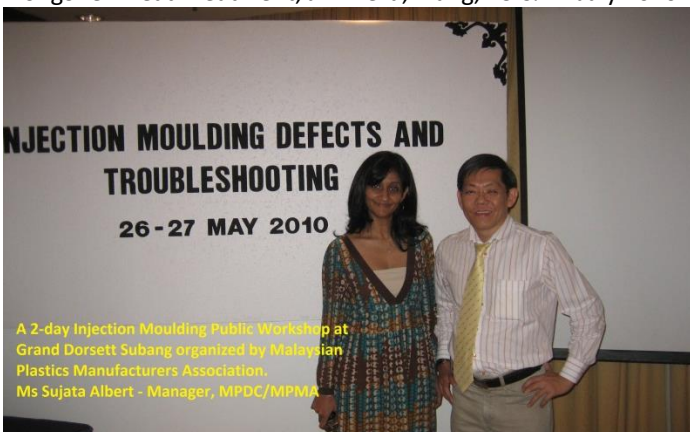

"Injection Moulding Defects, Causes & Solutions" by William Lee, Mitsumi Technology Pontian Kechil, 29 & 30 April 2010

"Quality Heat Treating" by William Lee, YongShen Heat Treatment, Jln Meru, Klang, 13 & 14 July 2010

"Sheet Metal Forming & Process Control" by William Lee, KianJoo Can Factory, Plant 3 Batu Caves, 29 & 30 October 2010

"Injection Moulding Defects & Troubleshooting" by William Lee, Organized by MPMA, 26-27 May 2010

"Plastic Properties & Product Design" by William Lee, ITL Asia, Ipoh 30 June & 1 July 2010

"Failures of Tools & Dies and Precaution" by William Lee, Linear Semiconductor Penang, 8-9 Feb 2011

"2nd IKBN Tooling Technology Workshop" by William Lee, Institut Kemahiran Belia Dan Negara, Kajang 7-10 March 2011

"Injection Machine Understanding & Process Optimization" by William Lee, Agilent Tech. Penang 12-13 April 2011

"Encapsulation Moulding & Materials Control" by William Lee, Infineon Technologies Malaysia, Melaka 3 & 4 August 2011

"Sheet Metal Cutting & Process Control" by William Lee Samsung Display (M) S/B, 7 & 8 April 2012

"Steel & Its Heat Treatment" by William Lee Autoliv Hirotako Safety S/B, Balakong 3 & 4 May 2012

"Encapsulation Moulding & Materials Control" by William Lee, Pan Pacific Hotel, Manila, Philippine 10 & 11 May 2012

"Encapsulation Moulding & Materials Control" by William Lee, The Ambassador Hotel Bangkok, 30 & 31 July 2012

"Engineering Mould Design for Quality Moulding" by William Lee, Min Aik Technology, Melaka 3 & 4 August 2012

"Cold Forging Tool Materials & Processing Control" by William Lee, Infastech Malaysia, Senawang 9 & 10 August 2012

"Plastic Materials, Properties & Moulding Characteristics" by William Lee, Escatec Electronics Penang, 19 & 20 April 2013

"Fundamentals of Moulding Engineering" by William Lee, Swan Malaysia, Senai 10 & 11 June 2013

"Sheet metal Bending & Stamping Design Guidelines" by William Lee, Motorola Solution Penang, 20 & 21 June 2013

"Injection Moulding Defects, Causes & Solutions" by William Lee, ITW Meritex Penang, 26 & 27 July 2013

"Injection Machine Understanding & Process Optimization" by William Lee – Silitech Technology Penang, 9 & 10 May 2013

"Hot Forging Process, Materials & Die Life Control" by William Lee – Shimano Component (M) Johor, 20 & 21 August 2013

"Leadframe Materials & Trim-and-Form Quality" by William Lee – Holiday Villa Subang, 24 & 25 Mar 2014

"Processing Control for High Quality & Profitable Moulding" by William Lee – New York Hotel, JB 10 & 11 April 2014

"Fundamentals of Moulding Engineering" by William Lee – B Braun Medical Industries, Penang, 9 & 10 May 2014

"Tool Steels Understanding & Processing" by William Lee – Special Steel & Alliance, 4 & 5 October 2014

"Aluminium Alloys & Its Heat Treatment" by William Lee – Sepang Aircraft Engineering, 23 & 24 October 2014

"Engineering Design for Injection Mould" by William Lee – IKBN-Ministry of Youth & Sports, Pagoh. 10, 11 & 12 Nov 2014

"Metallurgy of Iron and Steel" by William Lee – Bekart Southern Speciality Wire Sdn Bhd, 24 & 25 November 2014

"Hard Surface Coatings Technology" by William Lee – PHN Industry Sdn. Bhd. Shah Alam 17 December 2014

"Fundamentals of Moulding Engineering" by William Lee – Sunway Hotel, Seberang Jaya. 15 & 16 April 2015

"Product Design and Secondary Operations" by William Lee – Ichikoh (M) Sdn. Bhd. Nilai, NS, 7 & 8 April 2015
